事由：
Assunto **Invitation to be joint organiser of the International Conference on "New Developments of Teaching and Learning Quality Assurance in Higher Education"**

Dear Professor Zhang,

Since 2015, MPI has joined hands with APQN to organise our annual higher education conference, which has seen an overwhelmingly positive response from quality assurance incumbents in the Asia Pacific region and beyond. The success of our previous conferences has been made possible thanks to APQN's immense support.

In view of our cordial cooperation, we would like to invite APQN to be a joint organiser of this year's higher education conference, with the theme on "New Developments of Teaching and Learning Quality Assurance in Higher Education", to be held from 21-23 November 2017 at the Macao Polytechnic Institute. The first day would be for registration and conference activities would be arranged on 22 and 23 November.

It would be very much appreciated if you could allow us to use the APQN logo in our promotional materials and to advertise APQN as the joint organiser of this year's conference. We would also be grateful if we could have your kind assistance to promote this conference by sharing this news among your members.

We would like to extend our gratitude to APQN for your continued support in our conference and do look forward to the opportunity to working with you together again this year. Should you need any further information, please feel free to contact Ms Suzana Sou of the Organising Committee (email: heconf@ipm.edu.mo; tel: +853 8599 6148).

With best wishes,

Dr Lei Ngan Lin, Vivian
